

Sales Manager

Reply to: sales@noncontactmeters.com

Noncontact Meters is a small electronic manufacturer of ultrasonic flow meters and accessories. We have a great opportunity in our sales department for someone to manage, develop, and support our North American distributor network.

Some experience is required in sales management, process control instrumentation or flow meters, and working with distributors or representatives. Market knowledge of USA Industrial, energy management or municipal is a plus. Must have great communication skills, word, PowerPoint, and excel.

Duties include development and support of North America distribution group and to compliment the current sales and marketing team. Can work out of our Kennesaw office or a remote home based office. The Kennesaw office is a non-smoking building. Compensation based on experience. Check us out and visit our website, www.noncontactmeters.com

Send your resume and references to sales@noncontactmeters.com

Employment contingent upon successful completion of background check and drug testing.
